

# Scoping Canvas

Team:

## About this tool:

This canvas serves the purpose of guiding your thought process as you scope the project together with your team. Don't worry, leaving blanks is OK!

## Pro tip:

Focus on the problem and its context and keep an open mind – the team might come up with different solutions

<b>1 The Challenge</b> What is your challenge?  Why is this challenge important for the team?	<b>3 Current Situation</b> What is the current customer journey? Any pains or problems?  What are customer's alternatives and why are they not happy?	<b>5 Questions</b> What are some questions we want to address?  What are some unknowns we want to find out more about?	<b>7 Related Initiatives &amp; Resources</b> Are there any projects which recently explored similar business areas/challenges? Do you have any market research/reports done which could help us out?  What are some insights, facts we already know that can guide the team to better understand the challenge?  Who should we speak to that's sitting on insights, expertise, experiences that are valuable for our challenge?
<b>2 Customer Segment</b> Who do you want to create value for? Are there existing personas?	<b>4 Assumptions</b> What are the underlying assumptions/hypothesis that lead us to do this project?  We need to test the assumptions that ...	<b>6 Goal/Success</b> What is it you want to achieve with this project?  What would be a successful outcome for you?  We aim to [complete this field] with this project.
